Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Saturday 14 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A few showers on Saturday, but many places dry, bright.

Today:
Sunshine and scattered showers, though a good deal of dry weather too. Winds easing, and becoming quite warm in the east. Lighter winds than yesterday.

Tonight:
Showers turning heavier over the Northern Isles overnight, while light rain reaches the far southwest. Most other areas dry. Light winds.

Sunday:
Scattered showers on Sunday, more frequent in the northeast. Some rain in the far south in the morning. Otherwise dry with some sunshine at times.

Outlook for Monday to Wednesday:
Sunny spells on Monday then clouding over later with some rain in west. Tuesday and Wednesday mostly cloudy, patchy rain in west, some warm sunshinre breaking through in east.
